At Supreme, we thrive at supporting our communities and in December 2022 we certainly didn't disappoint. We were humble in supporting Westerham Sea Cadets. Below is Mark Johnson Operations Director presenting Sea Cadet Alison Miller with the Leadership Shield & Vouchers.

If any of you support a community project or volunteer please do get in touch to see how Supreme Guarding Services Ltd can help.

Remember to download the Links we use to ensure we give you the correct tools to work with.

In October 2022 we saw the new refresher SIA introduced with Emergency First Aid at Work.

Please check with our Admin team at admin@supremeguarding.com as to when your SIA license is due to be renewed if you haven't received your 3 month notification from the SIA.

New Sites

Finishing off the year we were lucky enough to land some new sites to the business. Some of you are currently working on them and are doing a sterling job with great feedback from our clients.

FMC-UK-Shacklewell Studios

We also lost a great Queen on the 8th September
2022.
